*FÖR Renmedom till
SBF:s Kendosektion*

Gentlemen:

Regarding your letter of February 27th we had recommended Mr. M. Matsunaga (7-dan, Kyoshi) to be delegated as Kendo-instructor to your country. He himself was willing to accept our recommendation and felt it a great honour. However, right after our unofficial decision, he was promoted to police inspector and at the same time he was instructed to enter the Police College this April. So, it is a great pity for him and for us to inform you that it is impossible for Mr. Matsunaga to act as an instructor in the SBF:s KENDOSEKTION.

We are now making efforts in selecting another competent person in order to meet SBF's expectations and favors. You will have our final decision as to who will be delegated, by the end of June at the latest. The SBF's and the Japanese Embassy's letters will also be very useful for the selection.

We would like to express our deep thanks for your kind considerations regarding the instructor's financial condition.

We deeply hope and look forward to SBF:s KENDOSEKTION's further growth and development.

Truly yours,

Toshiaki Kasahara
Director of Z.N.K.R.
