Dear Sirs:

Regarding the Kendo-instructor to be delegated to your country as I have promised to you in my letter of April 21, 1972, we made a decision after strict and careful selection, to delegate the following person.

Name: Mr. TAIJI SAITŌ

Date of Birth: November 9, 1925, Age: 46

Occupation: Kendo-instructor of Tokyo Metropolitan
Police Dept.

Qualifications: Kendo 7-dan, Kyōshi

Iaido 6-dan, Renshi

I assure you that he has a good personality and the ability of an instructor enough to meet your expectations.

He is now preparing himself in order to be in your country by the end of August.

Could you kindly send us the documents necessary for obtaining the Swedish visa in order that he may be able to stay until April, 1973.

With my best regards to all the members of SBF:s KENDOSEKTION.
