Dear Mr Kasahara,

A few days ago I received your letter telling us that you have selected Mr Taiji Saito for European and Swedish instructing-tour.

We are extremely pleased with your selection and are sure that Mr Saito's visit will give extraordinary results.

In your letter you ask for documents for obtaining visa for Sweden.

I here also send a letter, in Swedish, to attach to the application for stay-visa and work-permission when you apply for them at the Swedish Embassy in Tokyo.

(The letter says that Mr Saito will come here and act as an instructor. Also it says his address in Sweden c/o Bernhards-son, Nitvägen 25, Hägersten, Stockholm. Further, how much money he will get, approximately, Sw.Cr. 1000:-/month. Finally it says that SBF:Kendosektion is responsible for Mr Saito's stay in Sweden).

These are the details I can give you from here. The rest, f.i. what education Mr Saito has and his life in Japan a.s.o. you must fill in yourself in Japan.

I hope everything will be allright so that Mr Saito can come here when he wishes (end of August?). We will be very happy to see him here!

In all haste
yours sincerely
