Dear Mr. Demski,

As you probably know by now, the European Championships in Kendo in Stockholm sept. 23rd and 24th is inhibited.

I'm sorry.

But we hope you anyway are interested in the official country-match between Germany and Sweden the same dates. We would be very glad if you come as we planned before. Please confirm, if you still wish the fight, so we can continue our preparatories; and if you want us to book hotel please let us know in good time.

Hoping to hear from you soon,

yours,
