Dear Mr. W Demski,

Thank you very much for your letter. We are very glad that you still wish the fight and look forward to it.

The match will start 1300 both days. First some demonstrations and then the real match. You will get our program. There will be plenty of time before 1300 both days for practising if you wish to, and on friday evening we have regular practise to which you are heartily welcome.

The place for the match is GUBBÄNGSHALLEN (an athletic hall) and it is situated in Gubbängen, 20 minutes south of Stockholm City with subway.
