Dear Vic,

Several of our members have asked me about this year's Lidstone memorial tournament. Some years we have been informed about when it will be held, but not so this year.

When will it be?

As they very much would like to take part it would be very good to know in good time.

Otherwise, how is Kendo in England now? Do you practise hard? This spring in Sweden we have Mr. Kumada from Tokyo-police as our teacher and he makes us work!

Hoping to hear from you soon,
Yours,
