Our Ref. To: President of the Affiliated Organizations of IKF,
To: The IKF Officials,

Dear Sir,

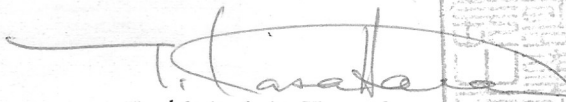

I am enclosing herewith the official letter of invitation to the Third World Kendo Championships and its "Programme and Regulations."

As I mentioned before, the IKF Directors' meeting was held in Japan on 11 and 12 April. The "Programme and Regulations" are prepared according to the decisions made at this meeting.

The application form of the 3WKC will be sent to you this autumn. I suggest that you make preparations as of now so that we can receive the applications from all the organizations before 31 January 1976, the deadline for applications.

With best regards,

Sincerely yours,

Toshiaki Kasahara
Secretary General of IKF

- P.S. The British Kendo Association would like to have the following information in order to carry on the preparations for receiving the delegation from various countries:
- the number of participants (i.e. the total number of the officials, referees, and competitors for the championships);
 - the number of accompanying persons (including the competitors who will take part only in the goodwill matches).

The numbers may be the estimate up to date and shall not be binding when making the official entry. Please submit the information before the end of August.
