Dear Sir,

I have great pleasure in taking this good opportunity to write you as a member of The All Japan Kendo Federation of Japan.

On 24th July, 1975, I wrote my first letter to Mr. Robert Von Sandor, as per copy attached herewith, contents of which are evidently self-explanatory.

Now, I shall be much obliged if you can kindly advise me at your convenience about my visiting schedule to your country for the purpose of Kendo Training with your people. For your reference, please find my picture enclosed herewith.

Looking forward to the pleasure of receiving your kind reply in due course. Meanwhile thanking you in advance.

Yours sincerely,
