Dear Vic,

As an answer to your letter of dec. 6th 1975 about the total number of persons attending 3WKC I now can say this:

The Swedish team will consist of 8 persons, of whom one is a girl. Also there will be at least two more officials.

But there will also be a group of Swedish "fans" coming. The number of them will be about 8 - 10 persons.

I suppose the BKA will arrange hotel in Milton Keynes for the team and the officials.

Later we will contact Miki Travel bureau and ask them to arrange with hotel in Milton Keynes also for the group coming with us.

The whole group will arrive at London in the evening april 11th. We have hotel for the time from the 11th until we go to Milton Keynes.

The group then will go back to Sweden in the evening of april 18th. (sunday). That means we do not need hotel the night between sunday and monday in Milton Keynes.

Well, we will soon meet in London!
Yours Sincerely

Johan Appelberg
