Dear Sir,

I am writing to you in the replacement of Andrzej Wyszyński. He is in Japan now — before his travel he commanded me to write to you. So, I am doing it now.

How you know, in October we will have KENDO-COMPETITION in Warsaw. If you would like to take part of this one, you should send to Poland list of your competitors. We need their names and precise addresses and, if it's possible, their passports numbers, because we have to send to Sweden personal invitation for everybody.

Terms and conditions are unchanged, it means:

- 1st: Friday, October 8th — your arrival
- Saturday, October 9th — two practices (morning & afternoon)
- Sunday, October 10th — competition

2nd: you will pay travel cost only.

If you wouldn't or couldn't like to send anybody or less than five persons to fencing, please contact with me so quickly, how it is possible. If you I will not have got your answer to 12th of September, I understand that you don't come to Poland. But I hope to see you shortly. We are waiting for you

Yours sincerely

Anna Skibicka
