Considering the above, we sincerely wish you will organize your team to take part in the Taikai so that the events may be a successful and friendly one.

So that we may proceed with the preparations, will you please let us know, by 20 April, whether you can participate in the Taikai or not? Please be informed that the name list and photographs of the participants must be submitted by the end of May.

Please accept our invitation and we look forward to receiving your pre-entry letter.
