Dear Mr. Laurent

Thank you for your letter of March 30. We are sorry that our answer is too late.

In reply to your question, we wish to inform you that the airfare we mean is not charter flight but ordinary flight.

Airfare from Tokyo to home country is to be paid by our Federation. If participants will have bought return tickets, they can turn the ticket into cash. We pay you the airfare according to I.A.T.A.

We sincerely wish you will participate in this Taikai. Please inform us whether you can come Japan or not as soon as possible.

We are looking forward to your reply "Yes".

Sincerely yours,

ALL JAPAN DOJO FEDERATION
