Re.: Gift of Kendo-instruction film.

Our organisation has received from Mr.T.Kashara a Kendo-instruction film which has been produced by the Z.N.K.R., as gift.

The film is excellent and of great value for us in connection with our basic instruction.

We are convinced that this kind of teaching material helps us in our work spread kendo in Sweden and therefore please accept our sincerely thanks for this gift.

Yours respectfully
SWEDISH KENDO FEDERATION
