to any Kendo organisation.

Dear Sir ,

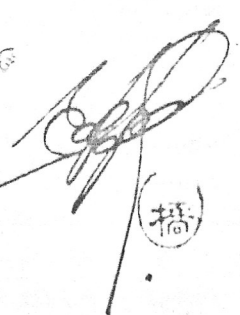

I ask that :

STERCKX PIERRE born the 15 Nov 47

Will be excluded of all examinations , stages and competition .

This man is dangerous. He put a screw-bolt in the top of his shinai in place of sakigomu. This was done with the aim to wound his opponent ! We can not accept such a failure to the Kendo spirit.

Next General Assembly of belgian kendo will pronounce on his exclusion of belgian kendo
