Dear Sir:

As you know Brazil commemorates this year the 70th Anniversary of Immigration in Brazil. For this reason, numerous activities have been planned celebrating this extremely significant event.

In our Kendo calendar we included the promotion of 70th Anniversary of Immigration Youth's Kendo Goodwill Matches in the occasion of the 20th All Brazil Youth's Kendo Championship, inviting professors and youthful players of All Japan Kendo Dojo Federation, which will be realized on 14th, 15th and 16th on July in São Paulo.

The expenses of domestic transportation and São Paulo City-Tour will be our responsibility.

Please let us know, as soon as possible, whether you can participate in it or not and also the number of participants so that we may proceed with the preparations in detail together with Brazilian Governamental organs.

Please accept our invitation and we look forward to receiving your answer.

Sincerely yours,

Yoshiaki Kishikawa
