27. August 1986

Dear friends,

thanks for your letter that I received on the 18th of August.

Our team consists of 8 members, 7 who really take part and one, who is emergency man.

As wanted I let you know our member's names.

Stefan Gauß
Christiane Demski
Dido Demski
Hugo Demski
Dietrich Drews
Michael Görke
Thomas Hofmann
Werner Thiele

The team will be accompanied by Mr. Demski, my wife and me.
The team will go by mini-bus, the others will go by car.

We are going to take the ferry leaving Sassnitz on Friday at 22.30 pm arriving in Trelleborg at 2.25 am. We hope to reach Malmö at 3.30 am.

Please send me a small map of Malmö and mark the place where we'll be able to meet you.

On Sunday afternoon at 17.40 we are going to leave from Trelleborg.

While staying in Malmö there will be lots of possibilities to talk about the team competition in Berlin on the 1st of November.

We are looking forward to seeing you.

Sincerely
