Le Sixième championnat du monde de kendo vient confirmer s'il en était besoin, la vocation de Paris comme Capitale du sport international de haut niveau.

Cette heureuse initiative permettra de donner un relief particulier à cette discipline qui compte plus de trois quarts de licenciés dans la région parisienne. Elle suscitera, à n'en pas douter, de nouvelles vocations. Les athlètes de 25 nations vont disputer ces Championnats du monde à Coubertin en démontrant les qualités de volonté, de persévérance mais aussi d'adresse que ce sport exige.

L'invitation que vous m'avez faite d'écrire ces quelques lignes représente pour moi une volonté commune d'œuvrer pour la promotion du sport au bénéfice de nos concitoyens.

Une fois encore, Paris sera grâce à vous au devant de la scène sportive internationale.

Qu'il me soit permis de remercier et de féliciter tous ceux qui ont contribué à l'organisation de cette grande compétition sans oublier les concurrents à qui j'adresse mes sincères félicitations et mes vifs encouragements.

Jacques Chirac

The Sixth World Kendo Championship confirms, if there was any need, the role of Paris as a capital of top international sport.

This welcome initiative will give a special highlight to this discipline which totals more than three-quarters of its practitioners in the Paris region. It will, undoubtedly, attract new dedicated recruits. Competitors from 25 countries will be contesting these world championships at the Coubertin Stadium, showing their qualities of will-power and perseverance, as well as the ability that this sport requires.

The invitation that I received to write these few lines represents for me a common desire to work for the promotion of sport to the benefit of our citizens.

Thanks to you, Paris will be, once again, in the forefront of the international sport scene.

I would like to take this opportunity to thank and congratulate all those who have helped in the organization of this great event, without forgetting the competitors themselves to whom I send my sincere congratulations and best wishes.

メッセージ

Le Sixième Championnat International de Kendo a lieu, cette année, à Paris. En ma qualité d'Ambassadeur du pays d'origine de cette discipline, je me plais à saluer cet événement qui marque son développement international et son succès croissant auprès de la jeunesse française.

Vingt-cinq nations adhèrent aujourd'hui à la Fédération Internationale de Kendo qui a été fondée en 1970 par quinze pays dont la France. A lui seul le Comité Français de Kendo regroupe soixante-dix clubs, soit environ 2 300 pratiquants.

L'essor remarquable du kendo dans le monde tend à prouver qu'il est non seulement un art martial qui développe les qualités sportives des pratiquants, mais encore et surtout un moyen d'acquérir la maîtrise de soi.

Je souhaite vivement que ce championnat, placé sous le signe d'une internationalisation croissante, connaisse le plus grand succès et je forme des vœux très sincères pour la réussite et le développement des activités de la Fédération Internationale de Kendo.

The Sixth World Kendo Championship is being held this year in Paris. In my capacity as Ambassador of the country in which this discipline originated, I am pleased to honour this event, which marks the international development of kendo and its growing popularity among the young people of France.

Today, twenty-five nations are represented in the International Kendo Federation, which was founded in 1970 by fifteen countries including France. The French Kendo Committee alone is made up of seventy clubs representing approximately 2,300 members.

The remarkable growth of kendo throughout the world is a living proof that it is not just as a martial art that kendo develops the sporting qualities of those who practise it, but above all as a means of acquiring self-mastery.

I earnestly hope that this championship, which is taking place in a spirit of growing internationalism, proves a great success, and I would like to express my most sincere wishes for the success and development of the International Kendo Federation's activities.

第6回世界剣道選手権大会が本年パリで開催されます。私は剣道発祥の国の大使として、剣道の国際的な発展とフランス青少年への普及ぶりを示す本大会の開催に心から祝意を表します。

1970年にフランスを含む15カ国により創設された国際剣道連盟は、現在参加国25カ国を数え、フランス剣道委員会だけで70の剣道クラブが結成され約2300人の会員を有すると聞いております。

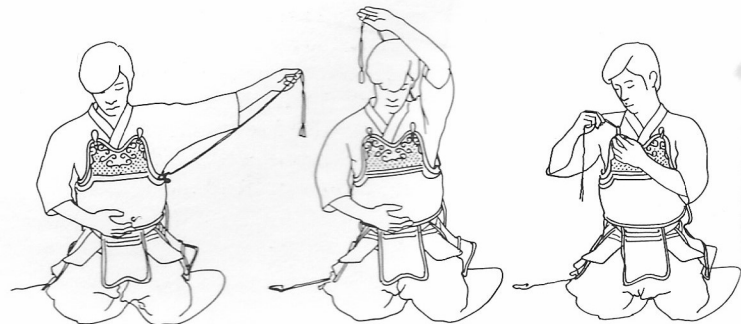

剣道のこのめざましい国際的発展は、本競技が体を鍛える武道というにとどまらず心を鍛えるものであることによると言えましょう。

剣道の国際化が進展する中で、本大会が大きな成功を収めることを切に望むとともに、国際剣道連盟の更なる御発展を心からお祈り申し上げます。

A message
from the President of
the International Kendo
Federation

Mesdames et Messieurs,
je suis très heureux que le
Sixième championnat du monde de
kendo se déroule à Paris.

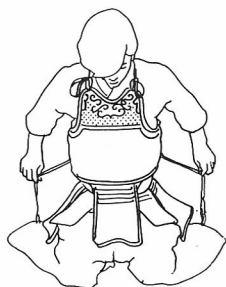

Le Premier Championnat du
monde qui eut lieu voici 15 ans,
mit en présence 17 pays et
154 participants. Aujourd'hui 25
pays et 438 participants vont se
rencontrer.

Ce changement est le signe
d'un développement important et
celui-ci est, sans nul doute, le
fruit des efforts de nos amis de
France mais aussi de la coopération
de tous les pays membres de la
Fédération Internationale de
Kendo. Je voudrais tous vous
remercier, Mesdames et Messieurs,
pour l'enthousiasme que vous
avez manifesté pour cette grande
rencontre.

Comme chacun sait, le kendo
est un art martial qui a vu le jour
au Japon, île extrême orientale.
Pourquoi, de nos jours, est-il si
populaire dans de nombreux pays
où la civilisation est florissante?
Parce que l'essence du kendo
se trouve dans une combinaison
de l'esprit, de la sagesse et de la
force, avec laquelle les hommes
peuvent se forger un bon
caractère pour un monde de paix.
Cette combinaison de l'esprit,
de l'adresse et du corps dans le
kendo, est applicable par chacun
à la vie de tous les jours et peut
contribuer au développement
harmonieux des sociétés et des
nations.

Ce championnat n'est pas
seulement une manifestation de la
continuation du passé mais pose
un nouveau jalon pour l'avenir.
Mesdames et Messieurs, souhaitons
ensemble que l'amitié inter-
nationale continue à se manifester
à travers des rencontres de kendo.
Enfin, que chaque combattant
donne le meilleur de lui-même.

Takaharu Kawai

I am very pleased that the Sixth
World Kendo Championship
meeting is being held in Paris.

You will recall that the First
World Kendo Championship
15 years ago had 17 countries and
154 players participating.
Now, we have 25 countries and
438 players participating.

This change represents a great
growth and is certainly attributable
not only to the efforts of our
friends in France, but also to the
co-operation of all the member
countries of the International
Kendo Federation. I should like
to thank you all for your
enthusiasm for this great meeting.

As is well known, kendo is a
martial art which was born in
Japan, an oriental island country.
It is nowadays very popular in
many countries where the glorious
civilization is in brilliant bloom.
Why? It is because the essence of
kendo lies in a combination of
spirit, wisdom and strength with
which people can build a good
character for a peaceful world.
This combination of spirit, skill
and body in kendo is applied to
everyone's daily life and can
contribute to the sound growth
of societies and nations.

The Sixth World Kendo
Championship meeting is not only
an extension of the past events
but also sets another milestone
for the future.

I hope you will join me in wishing
that this international friendship,
in the form of world kendo
meetings, will last forever.
Finally, may every player do
their best!

Pour la première fois de son histoire, le Comité national de kendo a l'honneur d'organiser un championnat du monde. Puissamment aidé par les services de la FFJDA, le comité exécutif a mis tout en œuvre pour que ces journées de compétition soient une réussite et une grande fête pour le kendo.

Je suis persuadé que le kendo français saura profiter de cet événement pour accroître son audience auprès du public. Les rencontres auxquelles vous allez assister vont réunir les meilleurs représentants des vingt-cinq pays participants. Je souhaite que les meilleurs gagnent et qu'à la victoire s'ajoute la manière

Qu'il me soit permis, dès à présent, de remercier tous ceux qui ont contribué à la réalisation de ces Sixièmes Championnats du monde de kendo, ainsi que les combattants et les démonstrateurs pour le spectacle qu'ils vont nous offrir, et de souhaiter à toutes les délégations présentes notre cordiale bienvenue.

Georges Pfeifer

The French National Kendo Committee has the honour, for the first time in its history, of organizing a world championship. Assisted by the FFJDA services, the executive committee has spared no effort to ensure that this event will be a great success and a huge celebration for kendo.

I am convinced that the French kendo movement will know how to reap the rewards from this occasion to increase its public at large. The meetings which you will be attending will be bringing together the best competitors from 25 participating countries. I hope that the best wins and that the victory is noble.

I would like to take this opportunity to thank all those who have contributed to this Sixth World Kendo Championship as well as to the participants and to the demonstrators for the show that they will be putting on for us; finally I give a warm welcome to all delegations.
