Dear kendoka and friend,

In a letter dated the 23th of December 1970 Z.N.K.R. informed us about the itinerary schedule of the 1971-years kendo-mission to Europa.

I am sending to you a copy of this schedule for your knowledge and preparatory work.

The members of the mission will be:

MR. Toshiaki Kazahara, 7-dan kendo kyoshi, Secretary-General of the IKF, the leader of the mission,  
MR. Masayuki Ogawa, 3-dan kendo hanshi, kendo master of the police forces, age 62,  
MR. Satoru Sugo, 7-dan kendo kyoshi, Champion of Japan in occidental saber-fencing.

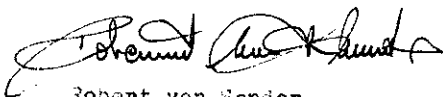

Transportation, hotel and meals for the delegation will be payed by Z.N.K.R.  
Your National Renmei shall organise the reception and program in your country for the delegation.

Z.N.K.R. ask the EKF if it would be possible for us to held an EKF-board meeting in Stockholm the 20th, 21th och 22d of February.

I would be very grateful if you could give me your views on this question soon soon as possible but latest the 5th of February.

With best regards

Yours sincerely
