We have the painful duty to inform the European Kendo Federation that mr Robert von Sandor, prominent budoka and founder of the EKF, died on June 1st in his native country, Hungary. He was buried in his home town in Sweden, Lidingö, on June 27th.

Mr von Sandor introduced kendo in Sweden in 1965 and was founder of the European Kendo Federation and the International Kendo Federation. He was also an honorary member of the Swedish Budo Federation.

Very truly yours

Jan Malmstedt
President
