Re: Examination

The Kendo Section of the Swedish Budo Federation applies for permission to hold examination up to 3rd dan during the Swedish Kendo Championship, December 12-13th 1998 in Stockholm.

Examination referees will be Mats Wahlqvist 6 dan, Terje Andersen 5 dan, Joakim Strömsnäs 5 dan, Joe Imamura 5 dan, Takao Momiyama 5 dan.

It has not been possible to apply before, as the Championship has been postponed several times, due to location problems.

In a fax of September 15th, we also asked for 1998 information on the following topics:

1. The existing examination rules for kendo and iaido.
2. Plans for iaido EC 1999 and 2000.
3. E-mail address of EKF
4. Does EKF have plans for establishing a website?

If possible, send information on these topics.

Attached is a presentation of our new board. If you like to see the board in pictures, please look up <http://www.kendo.budo.se/sektionen/organisation.html>. At our website, more information on our yearly congress and club leader conference etc. can be found. Have nice time!

Yours sincerely
