Dear Friends,

- Once again I have pleasure in announcing that the Eishinkan Iaido/Jodo Seminar will take place on the dates previously announced and following the programme laid out below. This year's seminar sees a return to Southampton University.

- This year Ishido Sadatoro Sensei, Hiroi Sensei, Ishido Shizufumi Sensei, Aoki Sensei, Sakaguchi Sensei and Ishizaki Sensei will be teaching. They will be assisted by eight more Japanese budoka.

Accommodation/Fees

- In an attempt to please as many people as possible this year we are offering two levels of seminar fee. The amount of accommodation we plan to book affects the charge rates for the hire of the hall and the costs for the sensei's accommodation - as a result those people who do not wish to take accommodation on site have to pay a slightly higher seminar fee to compensate.

- Completed entry forms, with passport sized photograph and non-returnable seminar fee should reach me by the 30th April, the accommodation fee should reach me by the end of May. I recommend that you keep a copy of your completed form for your own reference.

yours sincerely,

Antonio Leon
