Please note there will be no tournaments this year. The organization of the second European Iaido Championships will be probably done by France. There are also changes concerning the lodging of participants. Due to the late decision with respect to the place of the seminar, a large part of the Sporthotel has been reserved for another group. A number of (2 or 3 persons rooms) is available in the Sporthotel. If you want to reserve a room there you have to let me know before the end of february.

Otherwise you have to make your own reservation in another hotel. A list of hotels in Sittard or environment is enclosed. We do advise you to do this as soon as possible because most hotels will be full in the summer.

Please fill in the entry-form as completely as possible. The form has to be send before 1 april to R.J.Boel. (except if you want to reserve in the Sporthotel, in which case it has to be send before the end of february)

Dear dojoleader, jodoka and iaidoka, please feel free to copy this infomation and to send it to everybody who would be interested in this seminar

We hope that many jodoka and iaidoka will be able to participate in this seminar.
Sincerely yours,

R.J.Boel
